

## 2.7 What other legal practice developments and innovations were introduced by your clinic in 2013? Have they had positive results? (Please give a short description).

ID Law Clinic	Other legal practice developments and innovations
1 UKZN Law Clinic Durban	<p>The current projects undertaken at the clinic are:</p> <ol style="list-style-type: none"><li>1. A joint pupil enrichment programme with the Luthuli Museum involving pupils from high schools in the KwaDukuza (Stanger) district focusing particularly on legal knowledge and skills.</li><li>2. Training of law students to deliver rights awareness workshops in the surrounding local communities. This is a joint venture with other NGO's, namely CAST and Urban Aid. The actual workshops will begin in August 2014.</li></ol>
2 Univen Law Clinic	<p>NB Above projects done in association with Street Law.</p> <p>We visit rural schools around our area of operation. We talk to them about the effects of crime and the consequences of involving in criminal activities. We also deal with general human rights and abuses etc. We visit with LLB students who also talk about challenges at university and other related challenges first year students might encounter.</p>
