

4.2 What other legal practice developments and innovations were introduced by your clinic in 2010? Have they had positive results?

ID	Law Clinic	Other legal practice developments and innovations
2	Univen Law Clinic	Training of Street Law students on issues relating to Human Rights and HIV/AIDS and the law. After these training students will go out to the rural communities schools, hospital and prisons to conduct awareness campaign. The prisons to conduct awareness campaign. The positive results is that we turn to have many instructions because people has legal problems but they do not know where to go.
3	Nelson Mandela Metropolitan University Law Clinic	We have in 2009 been accredited by the Cape Law Society to hand out pro bono instructions to private practitioners. The result is very positive as clients with cases not handled by our clinic are now assisted. In this way access to justice is greatly expanded.
4	North West University Community Law Centre	Compliments, comments and suggestion box placed in reception. No positive results yet!
5	Rhodes University Legal Aid Clinic	<ol style="list-style-type: none"> 1) Formal procedures for re-allocation and closure of files 2) Providing legal services to clients requiring attorneys services and interviewed at some 45 paralegal advice offices throughout the Eastern Cape 3) Internal Staff seminars 4) Research portfolio committee 5) Monthly meetings of practitioners 6) Supervisor's and Practitioners manuals were produced to ensure uniformity in supervision and mentoring of students and candidate attorneys
6	UCT Law Clinic	/
7	University of Johannesburg Law Clinic	none
8	University of Limpopo Campus Law Clinic	None.
9	North West University Law Clinic	Child Justice Unit - A lot of positive results One Adoption and three Removal cases were handled successfully.
10	University of Pretoria Law Clinic	External audit by Legal Aid South Africa (for Hammanskraal) and clinicians and academics from abroad (for campus clinic)
11	UWC Legal Aid Clinic	Streetlaw was re-introduced as a volunteer program. Streetlaw numbers increased from 2010 to 2011 from 80 to 90, huge interest. Streetlaw to be reintroduced in 2012 as an elective and the clinical legal education program.
