

6.10. What were the main challenges faced by the clinic in terms of the clinical law programme during 2010?

ID	Legal Aid Clinic	Main challenges
2	Univen Law Clinic	We have many students who register each year for Professional Training yet on the other hand we do not have enough professional staff to assist with the training of students.
3	Nelson Mandela Metropolitan University Law Clinic	1. Funding 2. Supervisor to student ratio 3. not enough administrative staff
4	North West University Community Law Centre	Supervisors - ratio is unacceptable.
5	Rhodes University Legal Aid Clinic	Inadequate number of computers Limited contact time with the students Lack of sufficiency challenging cases for the students
6	UCT Law Clinic	lack of staff lack of equipment
7	University of Johannesburg Law Clinic	Too many students Student numbers rising annually Too few attorneys Attorneys expected to act as messengers No sustainable funding model
8	University of Limpopo Campus Law Clinic	Personnel, equipment and office space shortage.
9	North West University Law Clinic	Due to the fact that there are a lot of students enrolled for the Legal Practice every year – it makes it difficult to give each student the opportunity to handle their “own” client file.
10	University of Pretoria Law Clinic	Lack of permanency of clinicians.
11	UWC Legal Aid Clinic	Student numbers, the clinic cannot increase its student numbers beyond 60. However, there is more than 200 final year students in the faculty. Space infrastructure for 28 staff members is a major problem, funding for disbursements in respect of civil matters. We cannot assist +- 200 instituted matters. Research, requirements of clinicians, not skilled. The faculty pressure for research attorneys not recognized in academic field, they are seen as admin staff.
12	Wits Law Clinic	Finding the balance between teaching, access to justice and research. Administrative support.
13	Legal Aid Clinic - Stellenbosch University	Enough hands to properly supervise students.
14	UFS Law Clinic	1. lack of Financial resources 2. student/supervisor ratio 3. lack of physical resources such as computers 4. no access to electronic library 5. limited access to updated textbooks 6. no security of tenure for supervisors

15	University of Fort Hare Law Clinic	<ol style="list-style-type: none">1. During 2010, there was lack of Human Resource as a result the Clinic did not process adequate clients for student training.2. Clinic's visibility (2nd floor of Gasson Centre) did not appeal to the target market.3. Overshadowed by the well-established Legal Aid Board
16	University of Kwazulu-Natal Law Clinic (PMB)	Lack of staff (ie attorney / candidate attorney to assist)
