Other legal practice developments and innovations

- | ID | Law Clinic | Other legal practice developments and innovations |
|----|---|--|
| 1 | UKZN Law Clinic Durban | <p>Weekly case meetings between Supervising Attorney and Candidate Attorneys.</p> <p>Introduction of the Pending System- to ensure work is done thoroughly and timeously.</p> <p>Both have had extremely positive results. Weekly meetings serve two purposes; both as a learning exercise for all candidate attorneys (discussion of law and files) and pending system helps keep the client files active ensures files are always worked on and followed up on.</p> <p>Human rights awareness Projects; this involved small groups of students producing rights awareness pamphlets and posters, having these translated into the most spoken language in an area and then holding a rights awareness workshop on the topic open to the public. These workshops were run in different parts of Ethekewini (greater Durban); there were about 13 such Projects in 2009.</p> |
| 2 | Univen Law Clinic | <p>Training of Street Law students on issues relating to Human Rights and HIV/AIDS and the law. After these training students will go out to the rural communities schools hospitals and prisons to conduct awareness campaign. The prisons to conduct awareness campaign. The positive results is that we turn to have many instructions because people has legal problems but they don't know where to go.</p> |
